

Breaking Chains Ministries

Helping People Transform Their Lives Through
The Love, Grace and Power Of Jesus Christ.

At Breaking Chains Ministries we try to provide families with sometimes much needed items at Christmas. Our goal is to gather these items throughout the year so it is not so demanding come Christmastime. Please print this list and give it to others and encourage them to help. Also, please email this list as an attachment to others as well. If you are really adventurous, consider placing a collection box at your church or business. Every little bit helps.
